Dry Run Presentation by Marcy Brown and Committee Suggestions

Ms. Brown presented her briefing of the history and current activities of the Environmental Management activities at the Nevada National Security Site and the responsibilities of the NSSAB. Committee members provided suggestions to enhance her briefing. Members of the committee expressed to Ms. Brown the great job that she did presenting the information.

Path forward

- Ms. Brown to incorporate committee suggestions and provide NSSAB Office with final briefing
- Ms. Brown to develop a quiz to post to teacher website and a pre-questionnaire and a post-questionnaire to measure the success of presentation as an educational tool
- Ms. Brown to present briefing and questionnaires to WCTA students (Environmental Science, Engineering and Chemistry students who are sophomores and juniors) in late February and March 2013
- Ms. Brown to provide an update on the student project at April 17 Full Board Meeting
- Ms. Brown to provide a formal presentation of the final project at May 15 Full Board Meeting
- Ms. Brown encouraged to bring students interested in liaison position to May 15 Full Board Meeting
