ENVIRONMENTAL MANAGEMENT SITE-SPECIFIC ADVISORY BOARD (EM SSAB)  
Nevada Site Specific Advisory Board**

Application No. (Please leave blank) \_\_\_\_\_

**MEMBERSHIP APPLICATION**

(Version: June 2017)

---

The EM SSAB (or Board) provides meaningful opportunity for collaborative dialogue among the diverse communities at the Department of Energy (DOE) Environmental Management (EM) clean-up sites. At the request of the Assistant Secretary or the Site Manager/Assistant Manager for Environmental Management, the Board provides advice and recommendations concerning EM site-specific issues.

The Board's membership is carefully considered to reflect a full diversity of viewpoints in the affected community and region.

Currently, the EM SSAB comprises eight local boards, which are located near DOE sites across the country: Hanford, Idaho, Nevada, Northern New Mexico, Oak Ridge, Paducah, Portsmouth, and Savannah River. If appointed, you will be serving on the **Nevada Site Specific Advisory Board**.

Members appointed by DOE to serve on the EM SSAB are subject to conflict-of-interest principles in order to maintain the integrity of the EM SSAB's work. Upon appointment, members are provided with details regarding the specific conflict-of-interest principles.

**Membership Terms**

1. EM SSAB members are appointed for a two-year term. Appointments may be renewed twice for a maximum period of service of six years.
2. EM SSAB members are not compensated for their service.
3. DOE provides reimbursement for authorized travel and subsistence (federal per diem) expenses for eligible members.

**You must be a U.S. Citizen or a legal resident to serve on the EM SSAB.**

**U.S. federal government employees are ineligible to serve on the EM SSAB.**

If you would like to be considered for membership on the EM SSAB, please complete pages 2 - 4 of this application and forward it and your resume, if available, to the contact for your local EM SSAB listed on below. **CONFLICT OF INTEREST FORM**

U.S. Department of Energy (DOE) policy requires that members of the Environmental Management (EM) Site Specific Advisory Board be recused from participating in and voting on matters related to their employer and will be required to make known – for the meeting record any required recusal. NSSAB members are appointed to represent community perspectives; and, therefore cannot represent DOE, DOE contractors or subcontractor, or governmental entities that have an interest in EM activities.

Members must recuse themselves from discussions and voting on issues related to their employer's work/interests related to the EM program. These issues include, but are not limited to: cleanup standards and environmental restoration, waste management and disposition, stabilization and disposition of non-stockpile nuclear materials, excess facilities, future land use and long-term stewardship, risk assessment and management, and cleanup science and technology activities.

To assist DOE in determining the extent of any potential conflicts of interest based on your employment, please complete the following. If your employment situation changes during the application, appointment or membership process it is essential that information is communicated to the DOE. Based on the information provided, the DOE will determine if a formal recusal plan will need to be developed to ensure any perceived or actual conflict of interest is properly managed.
