RESPONSE TO NEVADA SITE SPECIFIC ADVISORY BOARD (NSSAB)  
RECOMMENDATION FOR INTERNAL PEER REVIEW PROCESS IMPROVEMENT  
(WORK PLAN ITEM #6)

I would like to thank the NSSAB for taking the time to attend multiple internal peer reviews (IPR) related to the Underground Test Area activity and provide recommendations on how to enhance the process in your April 19<sup>th</sup> letter.

NSSAB Recommendation: Participants should be set up with a voice enhancement system.

DOE Response: DOE has shared the NSSAB recommendation with each of the IPR Chairs and asked that they consider this recommendation when tailoring the meeting relative to the audience and communication needs.

NSSAB Recommendation: The IPR chair should appoint someone from the committee to facilitate the meeting.

DOE Response: DOE has shared the NSSAB recommendation with each of the IPR Chairs and asked that they consider this recommendation.

The Environmental Management Nevada Program appreciates the support of the NSSAB in this endeavor and the efforts made by the Board to provide recommendations. As always, the NSSAB's input is valued and your efforts are greatly appreciated.

Please contact Kelly Snyder at (702) 295-2836 if further information on this matter is needed.
