

FRMAC Monitoring and Sampling Working Group Update for Semi- Annual State/FRMAC Call

July 29, 2015

Southern Exposure

- One goal was to integrate field teams from different agencies:
 - CMRT
 - RAP Region 3
 - South Carolina DHEC
 - Florida
 - EPA
 - CST
 - Clemson University
 - Naval Nuclear Propulsion Observed only
- Integrated well (observation at the hotwash)

Data Transmission

- South Carolina teams used RadResponder
- All other field teams used tablets and MPCD

Monitoring Manual Vol 1 and 2

- Last revision was 2012
- Need to update some terms and sections
 - Ground deposition samples
 - Interior building surveys
