U.S. Department of Energy (DOE) Advisory Board to Meet

A public meeting hosted by the Nevada Site Specific Advisory Board (NSSAB) will begin at 5 p.m., Wednesday, May 20, 2015, at the Frank H. Rogers Science and Technology Building, 755 East Flamingo Road, Las Vegas, Nevada. Planned meeting topics include briefings and recommendation development related to clean up of historic above-ground nuclear testing locations at the Nevada National Security Site (NNSS).

Prior to the public meeting, an educational session will begin at 4 p.m. on the Radiological Assistance Program by the Emergency Response Team for the Remote Sensing Laboratory-Nellis.

The NSSAB is a federally-chartered board comprised of rural and urban southern Nevada residents who provide recommendations to the DOE Environmental Management Program regarding environmental cleanup activities at the NNSS.

To learn more, call (702) 630-0522, or visit the NSSAB website at www.nv.energy.gov/nssab.
