DOE/NNSA CONTRACT NO. DE-NA0003624: *REVISED* AUTHORIZATION TO PURCHASE FROM GOVERNMENT SUPPLY SOURCES

DOE/NNSA Contract No. DE-NA0003624 is a cost-reimbursable Management & Operating contract with operational responsibility for the Nevada National Security Site. NNSA recently approved extending the contract, and as a result, the contract Period of Performance is December 1, 2017 through **November 30, 2027**.

The contract contains Federal Acquisition Regulation clause 52.251-1, Government Supply Sources. As such, Mission Support and Test Services, LLC (MSTS) is hereby authorized to purchase materials, supplies, equipment, and non-personal services required for performance of work under Contract No. DE-NA0003624 from Government supply sources (Reference FAR Part 8), including but not limited to the following:

- General Services Administration (GSA)
- GSA Federal Supply Schedule (FSS) contracts
- Federal Prison Industries, Inc.
- Any Government agency having excess personal property available for transfer, and any other sources made available via the GSA SmartPay Purchase Card Program
- NASA SEWP V contract (Note: The authority hereby granted is not to be transferred or reassigned.)
- U.S. Defense Logistics Agency – Energy (DLA-Energy) (Aviation fuel, fuel-related supplies, and approved ground services at military installations)

Any order issued under FSS contracts and for GSA stores stock will be placed in accordance with FAR 51.103. This authorization to purchase from the Government supply sources does not negate the requirements set forth in our contract which may require prior written approval or consent from the Contracting Officer.

Questions should be directed to me at marla.thornton@nnsa.doe.gov or (240) 562-1012.
