

UNLV Tech Trekker sponsored by the NNSS.

## Economic Impact

There are 3,212 employees across six government agencies, 11 prime contractors and three National Laboratories who work daily for the Nevada National Security Site (NNSS) to ensure the security of the United States and its allies by supporting the stewardship of the nuclear deterrent, providing emergency response capability and training and contributing to key nonproliferation and arms control initiatives. The NNSS executes unique national-level experiments, delivers technical and administrative support to national security customers and provides long-term environmental stewardship for site missions. Overall, the NNSS provides nearly a \$1 billion economic impact in the state of Nevada.

## NNSS Support to Nevada

- For the 2020 fiscal year, the total procurement totaled **\$41.5 million**.
  - **\$16.7 million** was spent towards small businesses for the 2020 and 2021 (as of Feb. 2021) fiscal years
- Educational institutions in Nevada received a funding of approximately **\$1.7 million**.
- The total replacement value of infrastructure at the NNSS has reached **\$3.55 billion**.
- NNSS Fire & Rescue paramedics provide Nye County ongoing life safety response, contributing **\$300,000** annually, as well as periodic vehicles, equipment and life-cycle maintenance.
- In the last two decades, **\$15 million** has been provided to Nevada counties to support emergency response capabilities.
- Approximately **\$1.3 million** per year are provided to support the lease and utilities at the National Atomic Testing Museum.
- Under the Environmental Management program, the NNSS provides more than **\$1.3 million** to Nevada for oversight of the NNSS Low-Level Radioactive Waste disposal program, approximately **\$530,000** to Nevada for oversight of NNSS Environmental Restoration activities and more than **\$665,000** to Nevada Division of Emergency Management through waste fees. Through these waste fees, the NNSS has provided roughly **\$15 million** to support emergency preparedness in Nevada since 2000.
- More than **\$5 million** annually provided to the Desert Research Institute, supporting:
  - Community environmental monitoring

- Native American interactions
- Revegetation studies at the NNSS
- Archeological monitoring of NNSS
- The Remote Sensing Laboratory at Nellis Air Force Base provides radiological emergency response, including aerial radiological monitoring. This response supports law enforcement at events such as the State of the Union, Super Bowl and New Year's Eve in Las Vegas.
- The NNSS emergency management program routinely coordinates with first responders at the local and state level to ensure integrated emergency response.

## Our Community

### Community Support

NNSS is involved with community-building organizations through board participation, business advice, and/or financial contributions. These organizations include: Vegas Chamber; National Atomic Testing Museum; Pahrump Valley Chamber of Commerce; and the Las Vegas Global Economic Alliance. Through educational and community outreach, the NNSS donated nearly \$400,000 to the community.

### Community Outreach

NNSS also supports several local and regional community relief organizations with more than 100 hours of volunteerism (severely impacted due to COVID), financial contributions and employee awareness. Supported organizations include: Rebuilding Together Southern Nevada, Three Square Food Bank, Environmental Education, Opportunity Village, Salvation Army, Southern Nevada Firefighters Burn Foundation and the American Red Cross.

### STEM Education

As stewards of a highly technical mission, NNSS fosters local and regional STEM education for students in elementary school through college with volunteerism, financial support, board members, and/or employee awareness. Supported organizations include: Nevada Science Bowl; Vegas PBS; FIRST Nevada; ASCE Southern Nevada Region Future City; University of Nevada, Las Vegas; University of Nevada, Reno; Clark and Nye County School Districts; and DISCOVERY Children’s Museum.

### University Partnerships

Support for Nevada universities in Las Vegas and Reno include board participation, research collaborations, \$1.7 million in financial support, senior design projects, graduate research opportunities and undergraduate summer internships. NNSS has invested in an on-site program manager position at the University of Nevada, Reno.

### Nevada Districts Employment Status

At the end of the 2020 fiscal year, the Nevada Enterprise was comprised of 3,212 employees. See Table 1 for a breakdown of congressional districts and organizations.
