

LIST OF GOVERNMENT FURNISHED PROPERTY & EQUIPMENT

The extensive inventory of Government-Furnished Property/Equipment (GFP/GFE) is hereby incorporated by reference and available from the Sunflower Inventory Assets Report, dated January 2011. The current estimated value of all GFP/GFE is in excess of \$30.6M. For assistance in obtaining a post-award copy of the listing on CD, contact the Contracting Officer, Contract Specialist, or the Contracting Officer's Representative.

The property is to be furnished in an "as-is" condition. The M&O Contractor has full stewardship responsibilities for database maintenance. Additionally, responsibility for procurement and disposal of all property and equipment lies with the M&O Contractor. The Security Protective Force Contractor is required to cooperate with the M&O Contractor in fulfilling inventory, maintenance, and use of all GFP/GFE assigned. Unilateral physical inventories and inspections are conducted by the Security Protective Force Contractor on a periodic basis in accordance with DOE Manual 470.4-2a – Physical Protection for all security related property, and DOE Order 430.1B (and applicable guides) for all other equipment. Reports are filed through the Property Management Division of the NNSA with NNSA Property Management personnel conducting bi-annual audits of all property records.
