<b>Cellular Phone/Smart/ Blackberry/ Tablets (with iOS, Android, Windows RT Operating Systems)</b>  (See Recording Device RESTRICTIONS)	DOE/NNSA Managed	<b>RESTRICTIONS</b>  (1) (2)	<b>RESTRICTIONS</b>  (1) (2) (3) (4) (5) (6) (7)	<b>RESTRICTIONS</b>  (1) (2) (3) (4) (5) (6) (7)	<b>RESTRICTIONS</b>  (1) (2) (3) (4) (5) (6) (7)	(1) Hotspot (Wi-Fi) functionality must be disabled. (2) May be used to conduct telephone calls, texting, email, browsing, and other functions, not associated with recording. (3) May be used in accordance with an approved security plan as Test, Measurement, Diagnostic Equipment (TMDE) (4) Only DOE Reciprocity approved BlackBerrys may be introduced into Limited Areas (LA). (5) DOE Reciprocity approved BlackBerrys must be removed from the room before classified information is discussed, demonstrated, depicted, or otherwise communicated. (6) Devices may not be operated within 10 feet of classified computer systems, equipment copying or faxing classified information, or secure communications equipment. (7) This policy does not allow for the introduction into areas where Top Secret, Special Access Program, Sensitive Compartmented information, or Nuclear Command and Control information is stored, processed or discussed or, in TEMPEST protected areas.
	Non-DOE/NNSA Managed	<b>RESTRICTIONS</b>  (1) (2) (3) (4) (5) (6)				(1) Hotspot (Wi-Fi) functionality must be disabled. (2) May be used to conduct telephone calls, texting, email, browsing, and other functions, not associated with recording. (3) Audio and video (still and motion) recording functions may not be used. (4) Cellular air cards are permitted; Hotspot (Wi-Fi) functionality must be disabled. (5) Cellular phones, tablets, and cellular air cards owned by subcontractors and companies doing business with DOE/NNSA are permitted unless otherwise prohibited under any other controls within this policy. (6) Non-DOE/NNSA devices may not be connected to government managed equipment or resources, except where specifically authorized by the ODFSA or designee.
