**F-1 SECURITY REQUIREMENTS – PROPERTY PROTECTION AREA (PPA)**

1. The job site at the Nevada National Security Site (NNSS) Las Vegas, and/or North Las Vegas (NLV) facilities is within a National Nuclear Security Administration, Nevada Field Office (NNSA/NFO) security area. SUBCONTRACTOR'S employees will be required to obtain security badges upon entry to the NNSS and/or NLV facilities. Such badges will be issued at no charge to the SUBCONTRACTOR. No SUBCONTRACTOR employee or representative will be admitted to the site unless he/she is a citizen of the United States in the final decree and at least 18 years of age.
2. SUBCONTRACTOR employees and representatives requiring access to the NNSS and/or NLV facilities must have proper photographic identification (ID). In accordance with NNSA guidance regarding REAL ID Act of 2005, a secondary form of photographic ID will be required for NNSS or NLV facility access/badging for individuals presenting driver's licenses as ID from noncompliant states or territories (Reference <http://www.dhs.gov/real-id-enforcement-brief> for a list of noncompliant states). Acceptable secondary forms of photographic ID include: U.S. Passport/U.S. Passport card, U.S. military card, Voter's registration card, U.S. Coast Guard Merchant Mariner Card, or U.S. Citizen I.D. card.
3. Temporary badges are issued in NLV and Mercury and will be returned at the end of each workday.
4. **SUBCONTRACTOR employees working over 30 days will be required to complete the initial security and Counterintelligence briefing and will be issued photo security badges after verification of citizenship.**
  - a. The SUBCONTRACTOR must furnish the CONTRACTOR the following information for all personnel working on site 72 hours prior to commencing work:

Full Name, including full middle name (as it appears on driver's license) Social security number
