*FEDERAL FACILITY AGREEMENT AND CONSENT ORDER (FFACO), NOVEMBER 2024  
APPENDICES UPDATE*

This letter is to distribute the November 2024 version of the FFACO, Revision 50. The revised Appendices III – IV reflect changes to Corrective Action Units (CAUs) and Corrective Action Sites (CASs) that have occurred since the January 2023 revision was released. This annual distribution was delayed to allow for the possible inclusion of the 2024 Letter Agreement to Modify the FFACO; however it has since been determined that this distribution can no longer be delayed for the 2024 requirement to be met. The Letter Agreement to Modify the FFACO will be distributed separately with the complete FFACO package upon final signature.

The current version of the FFACO and its appendices have been uploaded as a Portable Document Format (PDF) file into the Environmental Management Information System (EMIS) and can be accessed via the following link, [FFACO](#), or by selecting the “Current FFACO & Appendices” link on the “Guidance” tab in the EMIS Portal: (<https://portal-emis.powerappsportals.us/>).

Distribution of controlled and uncontrolled copies are being made per the courtesy copy list below. The files contain the copy of the FFACO and its appendices, and all modifications to the FFACO agreement. Along with the referenced files, the recipients of the controlled version of the Agreement are receiving a Receipt Acknowledgement Transmittal Form that should be signed and returned to the address on the form.
