- (c) *Status of SUBCONTRACTOR Personnel*: It is understood and agreed that the individuals furnished or utilized by SUBCONTRACTOR to perform work under this Subcontract, whether at CONTRACTOR facilities, SUBCONTRACTOR facilities, or elsewhere, shall be considered personnel of SUBCONTRACTOR at all times, whether they are actual employees of SUBCONTRACTOR (e.g. W-2 employees), independent contractors (e.g. IRS Form 1099-MISC independent contractors), or whether they provide services under this Subcontract via any other arrangement with SUBCONTRACTOR (collectively referred to as "SUBCONTRACTOR Personnel" as defined elsewhere in this Subcontract). MISSION SUPPORT AND TEST SERVICES, LLC

- (f) The relationship between the parties is that of independent contractors. Nothing in this Subcontract creates a partnership or joint venture between the parties, and, except as otherwise expressly provided herein, neither party shall enter into or have authority to enter into any engagement or make any representation or warranty on behalf of the other party, or pledge the credit of, or otherwise bind or obligate the other party.

C-5 CONTRACTOR'S AUTHORIZED REPRESENTATIVES

- (a) The CONTRACTOR will designate a Subcontract Administrator who will be responsible for administering the Subcontract Terms and Conditions and who shall act as the CONTRACTOR's authorized representative. Additionally, all correspondence shall be issued and received by the designed Subcontract Administrator. The only individual authorized to legally bind the CONTRACTOR and/or to extend, terminate, or modify this Subcontract, or to deviate from, or waive, any of the terms or requirements herein, is the cognizant Subcontract Administrator.
- (b) The CONTRACTOR will designate a Subcontract Technical Representative (STR) who is authorized to provide technical direction relating to the performance of the Subcontract. Technical direction must be within the scope of work stated in the SUBCONTRACT (or Order as applicable). The STR is authorized to direct the SUBCONTRACTOR only in the following ways:
- (1) Filling in technical details or shifting work emphasis between work areas;
 - (2) Providing information to the SUBCONTRACTOR that assists in interpreting drawings, specifications, or technical portions of the work description; or
 - (3) Reviewing and approving, technical reports, drawings, specifications, and technical information to be delivered by the SUBCONTRACTOR.
- (c) The STR does not have authority to, and may not, assign additional work outside the Statement of Work or applicable Order; change any contractual terms and conditions or any other contractual requirements whatsoever; provide direction that causes an increase or decrease in the estimated cost/price, including a Not To Exceed (NTE) price, specified in the Subcontract or applicable Order or which increases the time required to complete performance.
- (d) The SUBCONTRACTOR shall proceed promptly with all directions duly issued by the STR in accordance with this clause. In the event the STR issues direction, which he/she may not be authorized to issue pursuant to this clause, the SUBCONTRACTOR shall immediately contact the Subcontract Administrator for resolution before proceeding with the work. Additionally, should the SUBCONTRACTOR and STR disagree over the technical requirements of the Subcontract; such matters will be immediately referred to by the CONTRACTOR'S Subcontract Administrator for resolution.

C-6 SUBCONTRACTOR'S AUTHORIZED REPRESENTATIVE

Prior to commencing work, SUBCONTRACTOR shall designate in writing an authorized representative, acceptable to CONTRACTOR, to represent and act for SUBCONTRACTOR and shall specify any and all limitations of such representative's authority. Such representative shall be present or be represented at the Site of Work at all times when Work is in progress and shall be empowered to receive communications in accordance with this Subcontract on behalf of SUBCONTRACTOR. During periods when the Work is suspended, arrangements shall be made for an authorized representative, acceptable to CONTRACTOR, for any emergency work that may be required. Notification of changes of authorized representatives for either CONTRACTOR or SUBCONTRACTOR shall be provided ten-calendar (10) days in advance by written notification to the other party.

C-7 NOTICES

Any notices provided for hereunder shall be in writing and may be served either personally or by first class mail, facsimile, or electronic mail on the authorized representative of the receiving party.

C-8 SUBCONTRACT INTERPRETATION

All questions concerning interpretation or clarification of this Subcontract, including the discovery of conflicts, errors and omissions, or the acceptable performance thereof by SUBCONTRACTOR, shall be immediately submitted in writing to the Subcontract Administrator for resolution. All determinations, instructions, and clarifications by the

MISSION SUPPORT AND TEST SERVICES, LLC

Subcontract Administrator shall be final, unless disputed in accordance with the Disputes clause of this Subcontract. SUBCONTRACTOR shall proceed with the Work in accordance with the determinations, instructions, and clarifications by Subcontract Administrator. SUBCONTRACTOR shall be solely responsible for requesting instructions or interpretations and shall be solely liable for any cost and expenses arising from its failure to do so.

C-9 STANDARDS AND CODES

Wherever references are made in this Subcontract to industry standards or codes in accordance with which the Work under this Subcontract is to be performed, the edition or revision of the standards or codes current on the effective date of this Subcontract or Task Order under this Subcontract shall apply, unless otherwise expressly stated. In case of any conflict between any referenced standards and codes and any part of this Subcontract, the latter shall govern.

C-10 LAWS AND REGULATIONS

- (a) SUBCONTRACTOR agrees that it shall comply with all applicable Federal, State, and local laws, ordinances, statutes, rules, regulations, orders or decrees in effect at the time the Work under this Subcontract is performed, and SUBCONTRACTOR shall ensure that its employees, officers, agents, representatives, and lower-tier subcontractors also comply.
- (b) If SUBCONTRACTOR discovers any discrepancy or inconsistency between this Subcontract and any law, ordinance, statute, rule, regulation, order, or decree, SUBCONTRACTOR shall report the same immediately, in writing, to the Subcontract Administrator who will issue such further instructions as may be necessary.

C-11 DISPUTE RESOLUTION AND CHOICE OF LAW

- (a) Definitions. For purposes of this clause:

“Board” means the Civilian Board of Contract Appeals or such successor Board as may be established by law.

“Arbitration decision” means a decision of the Board, or another mutually agreed upon arbitrator in the event that the Board is not available, in an arbitration action pursuant to this clause.

“Claim” means a written demand or written assertion by either contracting party seeking as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of a Subcontract term, or other relief arising under, or relating to, this Subcontract. A voucher, invoice, or other request for payment or equitable adjustment under the terms of the Subcontract that is not in dispute when submitted is not a claim. The SUBCONTRACTOR may convert such submission into a claim if it is disputed either as to liability or amount, or is not acted upon in a reasonable time, by demanding a decision by the Subcontract Administrator.

“Counterclaim” means a claim asserted in a pleading filed with the Board in an arbitration proceeding pursuant to this clause, which arises from the same occurrence, or transaction that is the subject matter of the opposing party’s claim. Counterclaims do not need to be submitted to the Subcontract Administrator for decision.

- (b) Nature of the Subcontract. This Subcontract is not a Government contract and, therefore, is not subject to the Contract Disputes Act of 1978 (41 U.S.C. §§601-613). SUBCONTRACTOR acknowledges that GOVERNMENT is not a party to the Subcontract, and, for purposes of the Subcontract, CONTRACTOR is not an agent of the Government. Consequently, the provision for arbitration by the Board, as provided for in this clause, does not create or imply the existence of privity of contract between SUBCONTRACTOR and GOVERNMENT.
- (c) Scope of Clause. The rights and procedures set forth in this clause are the exclusive rights and procedures for resolution of all claims and disputes arising under, or relating to, this Subcontract, and no action based upon any claim or dispute arising under, or relating to, this Subcontract shall be brought in any court except as provided in this clause. The Parties shall be bound by any arbitration decision rendered pursuant to this clause, which shall be vacated, modified, or corrected only as provided in the Federal Arbitration Act (9 U.S.C. §§1-16). An arbitration decision may only be enforced in any court of competent jurisdiction in the state of Nevada.

MISSION SUPPORT AND TEST SERVICES, LLC

(d) Filing a Claim/Subcontract Administrator's Decision.

- (1) Unless otherwise provided in this Subcontract, SUBCONTRACTOR must file any claim against CONTRACTOR within one (1) year after SUBCONTRACTOR knew or should have known the facts giving rise to the claim. Failure to file a claim within the period prescribed by this paragraph shall constitute a waiver of SUBCONTRACTOR'S claim in its entirety and SUBCONTRACTOR shall THEREBY release the CONTRACTOR of any such claim.
- (2) SUBCONTRACTOR shall submit any claim in writing to the Subcontract Administrator who shall issue a decision on the matter within 60 days of receipt of the claim (unless additional time is required to a render a decision, in which case the Subcontract Administrator shall notify the SUBCONTRACTOR of the amount of additional time needed). If the Subcontract Administrator fails to issue a decision within 60 days (or within the amount of time specified in the notification provided by the Subcontract Administrator), the SUBCONTRACTOR'S claim shall be deemed denied, and the SUBCONTRACTOR may request mediation or demand arbitration as provided in paragraphs (e) and (f) of this clause.
- (3) CONTRACTOR may, at any time prior to final payment under the Subcontract or expiration of any warranty period, or within one (1) year of learning of facts or circumstances giving rise to a claim if after final payment or the expiration of the warranty period, whichever is later, file a claim against SUBCONTRACTOR by issuing a written decision by the Subcontract Administrator asserting such a claim.
- (4) The decision of the Subcontract Administrator shall be final and conclusive unless SUBCONTRACTOR requests mediation or demands arbitration in accordance with the terms of this clause. If SUBCONTRACTOR does not request mediation or demand arbitration within the time limits provided within this clause, the decision of the Subcontract Administrator shall be binding and final with the same force and effect as a binding judgement or arbitration decision and may be strictly enforced by any court of competent jurisdiction or by any other means available to CONTRACTOR under applicable state or federal law.

(e) Request for Mediation.

- (1) If the decision of the Subcontract Administrator is not satisfactory to the SUBCONTRACTOR, or the Subcontract Administrator has failed to timely issue a decision in accordance with subparagraph (d) 2) of this provision, and SUBCONTRACTOR desires to pursue further action, SUBCONTRACTOR may request that the matter be scheduled for mediation. The request for mediation must be made within 45 days after receipt of the Subcontract Administrator's decision.
- (2) If the Subcontract Administrator believes that mediation of the dispute is likely to lead to a satisfactory resolution, he or she will so inform SUBCONTRACTOR and the matter will be scheduled for mediation. The Parties will agree on the format of the mediation and will jointly select the mediator. The cost of the mediator and related expenses shall be divided evenly between the parties. Each Party shall bear its own attorneys' fees and any other related costs.
- (3) If the Subcontract Administrator decides that mediation is not likely to lead to a satisfactory resolution of the claim, or that a mediation undertaken pursuant to this clause has been unsuccessful, he or she will so inform SUBCONTRACTOR in writing.

- (f) Demand for Arbitration. If the decision of the Subcontract Administrator is not satisfactory to SUBCONTRACTOR, or if SUBCONTRACTOR'S request for mediation has been denied, or a mediation undertaken pursuant to paragraph (e) of this clause has been unsuccessful, or the Subcontract Administrator has failed to timely issue a decision in accordance with subparagraph(d) (2) of this clause, and SUBCONTRACTOR desires to pursue further action, SUBCONTRACTOR must submit to the Board a written demand for arbitration of the claim within 45 days after receipt of the Subcontract Administrator's decision, or within 45 days after the Subcontract Administrator notifies SUBCONTRACTOR that its request for mediation has been denied or that the mediation undertaken pursuant to paragraph (e) has been unsuccessful, whichever is later.

- (g) Arbitration Procedures/Costs. The Board shall arbitrate the claim and any counterclaims in accordance with the Rules of the Board. All claims for \$100,000 or less shall be arbitrated under the Board's Small Claims (Expedited) Procedure. All other claims, regardless of dollar amount, shall be arbitrated under the Board's Accelerated Procedure. Both Parties shall be afforded an opportunity to be heard and to present evidence in

MISSION SUPPORT AND TEST SERVICES, LLC

accordance with the Rules of the Board. Unless the Board orders otherwise, each Party shall pay its own costs of prosecuting or defending an arbitration before the Board, and the costs of the arbitration services shall be divided evenly between the Parties.

- (h) Unavailability of the Board. In the event the Board is unavailable to arbitrate the claim, the Subcontractor may file a demand for arbitration with the Subcontract Administrator within 45 days of learning that the Board is unavailable. The Parties shall then select an arbitrator by mutual agreement. At a minimum, the arbitrator shall have extensive experience and expertise in Federal Government contracts law. Each Party shall pay its own costs of prosecuting or defending the arbitration, and the costs of the arbitration services shall be divided evenly between the Parties.
- (i) Review and Effect of Arbitration Decision. An arbitration decision shall be final and conclusive unless a party files a timely action to vacate, modify, or correct the decision pursuant to the Federal Arbitration Act. A final arbitration decision shall be binding and may be enforced in any court of competent jurisdiction in the State of Nevada or by any other means available under federal or state law.
- (j) Subcontractor Performance Pending Claim Resolution. SUBCONTRACTOR shall proceed diligently with performance of the Subcontract and shall comply with any decision of the Subcontract Administrator pending final resolution of any claim or dispute arising under, or relating to, the Subcontract.
- (k) Choice of Law. The Subcontract shall be governed by federal law, excluding conflicts of laws rules, as provided in this paragraph. Irrespective of the place of award, execution, or performance, the Subcontract shall be construed and interpreted, and its validity determined, according to the federal common law of government contracts as enunciated and applied to prime government contracts by the federal boards of contract appeals and federal courts having appellate jurisdiction over their decisions rendered pursuant to the Contract Disputes Act of 1978. The Federal Arbitration Act, other federal statutes, and federal rules shall govern as applicable. To the extent that federal common law of government contracts is not dispositive, the laws of the State of Nevada shall apply.
- (l) Interest. Interest on amounts adjudicated due and unpaid by a party shall be paid from the date the complaining party files a demand for arbitration with the Board. Interest on claims shall be paid at the rate established by the Secretary of the Treasury of the United States pursuant to Public Law 92-41 (85 Stat. 97).

C-12 WAIVER OF LIENS

- (a) SUBCONTRACTOR shall promptly pay all undisputed claims of persons, companies, vendors, and all lower-tier subcontractors furnishing labor, equipment or materials used in performance of this Subcontract. CONTRACTOR may require SUBCONTRACTOR to submit satisfactory evidence of payment and releases of all such claims. If there is any evidence of any such unpaid claim, CONTRACTOR may withhold any payment until SUBCONTRACTOR has furnished such evidence of payment and release and shall indemnify and defend CONTRACTOR against any liability or loss arising from any such claim.
- (b) SUBCONTRACTOR acknowledges that the Work to be performed under this Subcontract is federally funded. Accordingly, any construction, equipment, real or personal property, materials or other products or services furnished under this Subcontract are not subject to liens or other encumbrances. Nevertheless, for the avoidance of doubt, in order to assure the CONTRACTOR and Government of the prompt and unrestricted use of the property for which the supplies or services are provided under this Subcontract, SUBCONTRACTOR hereby waives, and releases CONTRACTOR and the Government, from any and all liens which it might otherwise assert in the resolution of disputes arising out of the performance of this Subcontract. This waiver is not intended to be, nor will it be construed to be, a limitation of any of SUBCONTRACTOR'S other rights under this Subcontract or its other legal remedies. SUBCONTRACTOR further agrees to incorporate the substance of this clause into all lower-tier subcontracts.

C-13 INSURANCE, TAXES, AND CONTRIBUTIONS

- (a) The SUBCONTRACT price includes all applicable Federal, State, and local taxes, duties and tariffs, except for sales and use tax which may be charged separately at the time of invoicing. No adjustment to price shall be made to compensate SUBCONTRACTOR for any changes in tax rates or for new taxes.
- (b) SUBCONTRACTOR shall comply with the terms and conditions of the Nevada Industrial Insurance Act, Nevada Occupational Diseases Act and the Industrial Safety Act, or other applicable workers' compensation law, and

MISSION SUPPORT AND TEST SERVICES, LLC

shall furnish the CONTRACTOR with a Certificate of Coverage issued by the Employer's Insurance Company of Nevada or other worker's comp insurer authorized by the State of Nevada, or in compliance with the workers' compensation laws applicable in the state(s) in which the Work is being performed, or, if SUBCONTRACTOR is self-insured, shall furnish certification of same. If, for any reason, the SUBCONTRACTOR does not qualify for, or for any reason does not carry insurance under these Acts, the SUBCONTRACTOR herewith agrees to save and hold harmless and indemnify the Government and the CONTRACTOR from all liabilities resulting from any injury of an occupational nature as described in these Acts and Rulings of the Employer's Insurance Company of Nevada or other authorized worker's or comp insurer of Nevada, or in compliance with workers' compensation laws applicable in the state in which the Work is being performed.

- (c) SUBCONTRACTOR agrees to, and does hereby accept, full and exclusive liability for the payment of any and all contributions for taxes for Unemployment Insurance and/or Old Age Retirement Benefits, pensions or annuities, now or hereafter imposed by the Government of the United States, and/or by the Government of any state or territory of the United States which are measured by the wages, salaries or other remunerations paid to persons employed by the SUBCONTRACTOR for Work performed under the terms of this Subcontract.

C-14 OPERATIONS, DISMANTLED EQUIPMENT AND MATERIAL, UTILITIES, AND STORAGE AREAS

- (a) Operations. The SUBCONTRACTOR shall confine all operations (including storage of materials) on CONTRACTOR-controlled or Government-controlled premises to areas authorized or approved by the STR. The SUBCONTRACTOR shall hold and save CONTRACTOR and the government, their officers and agents, free and harmless from liability of any nature occasioned by the SUBCONTRACTOR'S performance.
- (b) Storage Areas. Temporary buildings (e.g., storage sheds, shops, offices, sanitation facilities) and utilities may be erected by the SUBCONTRACTOR only with the approval of the STR and shall be built with labor and material furnished by the SUBCONTRACTOR without expense to CONTRACTOR. The temporary buildings and utilities shall remain the property of the SUBCONTRACTOR and shall be removed by the SUBCONTRACTOR at its expense upon completion of the work. With the written consent of the STR, the buildings and utilities may be abandoned and need not be removed.
- (c) Utilities. The SUBCONTRACTOR shall provide all necessary utilities at the work site unless use of existing utilities at the work site is approved in advance by the STR.
- (d) Dismantled Equipment and Material. Dismantled equipment and material removed from the work site shall remain the property of the government. If the dismantled equipment and material is not reused in the performance of this subcontract, the SUBCONTRACTOR shall:
 - i. label or tag large items and package small items;
 - ii. prepare an inventory in triplicate on CONTRACTOR-furnished forms; and
 - iii. deliver the dismantled equipment and material to a location designated by the STR.
- (e) Clean Up. The SUBCONTRACTOR shall at all times keep the work area, including storage areas, free from accumulations of waste materials. Before completing the work, the SUBCONTRACTOR shall remove from the work area and premises any rubbish, tools, scaffolding, equipment, and materials that are not the property of the CONTRACTOR or the government. If the subcontract requires the modification of areas within buildings or the movement or relocation of furniture or equipment, the SUBCONTRACTOR shall vacuum and/or sweep and wet mop the area before moving in furniture or equipment and after the move is complete. Upon completing the work, the SUBCONTRACTOR shall leave the work area in a clean, neat, and orderly condition satisfactory to the Subcontract Administrator or the STR.

C-15 EXCUSABLE DELAYS

- (a) Except for defaults of lower-tier subcontractors, a Party shall not be in default because of any failure to perform this Subcontract under its terms if the failure arises from causes beyond the control and without the fault or negligence of the Party and only if the Party provides notice to the other Party of the failure and the conditions causing the failure within a reasonable amount of time. Examples of these causes are (1) acts of God or of the public enemy, (2) acts of the Government in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In

MISSION SUPPORT AND TEST SERVICES, LLC

each instance, the failure to perform must be beyond the control and without the fault or negligence of the Party. "Default" includes failure to make progress in the work so as to endanger performance.

- (b) If the failure to perform is caused by the failure of a lower-tier subcontractor at any tier to perform or make progress, and if the cause of the failure was beyond the control of both the SUBCONTRACTOR and the lower-tier subcontractor, and without the fault or negligence of either, the SUBCONTRACTOR shall not be deemed to be in default unless the subcontracted supplies or services were obtainable from other sources at fair market value.
- (c) To the extent that paragraph (a) applies as determined by the Subcontract Administrator, the Parties shall agree upon a reasonable revision to the delivery or performance schedule, subject to the rights of the CONTRACTOR under the termination for convenience provisions of this SUBCONTRACT.

C-16 LABOR, PERSONNEL, AND WORK RULES

In the event an employee is so removed, SUBCONTRACTOR shall promptly replace such individual with another who is fully competent and skilled to perform the Work.
- (b) For Work performed on CONTRACTOR or Government premises (including leased facilities), SUBCONTRACTOR shall observe CONTRACTOR'S or Government's procedures, regulations and Work rules to include, but not limited to, established Site working hours and security requirements.

Any time or expenses incurred by SUBCONTRACTOR'S employees in obtaining all such data or information shall be the SUBCONTRACTOR'S responsibility and shall not be charged to this SUBCONTRACT.
- (b) The SUBCONTRACTOR acknowledges that it has taken steps reasonably necessary to ascertain the nature and location of the work, and that it has investigated and satisfied itself as to the general and local conditions which can affect the work or its cost, including but not limited to (1) conditions bearing upon transportation, disposal, handling, and storage of materials; (2) the availability of labor, lower-tier subcontractors, water, electric power, and roads; (3) uncertainties of weather, river stages, tides, or similar physical conditions at the site; (4) the conformation and conditions of the ground; and (5) the character of equipment and facilities needed preliminary to and during work performance. - (c) The CONTRACTOR assumes no responsibility for any conclusions or interpretations made by the SUBCONTRACTOR based on the information made available by the CONTRACTOR. Nor does the CONTRACTOR assume responsibility for any understanding reached or representation made concerning conditions which can affect the work by any of its officers or agents before the execution of this contract, unless that understanding or representation is expressly stated in this Subcontract.

Subcontractor employees shall also be required to agree that they will not appropriate any such information or their own use or that of another party without the express authorization of the Subcontract Administrator.
- (c) The SUBCONTRACTOR agrees, if requested by the CONTRACTOR, to sign an agreement identical, in all material respects, to the provisions of this clause, with each entity supplying Sensitive Information to the SUBCONTRACTOR under this Subcontract, and to supply a copy of such agreement to the CONTRACTOR. From time-to-time, upon request of the CONTRACTOR, the SUBCONTRACTOR shall supply the CONTRACTOR with reports itemizing information received as confidential or proprietary and setting forth the entities from which the SUBCONTRACTOR received such information.
- (d) SUBCONTRACTOR shall obtain the written agreement of each employee permitted access to Sensitive Information, whereby the employee agrees that such information or data that the SUBCONTRACTOR is obligated to treat in confidence will not be misappropriated or discussed, divulged or disclosed except to those persons within the SUBCONTRACTOR organization directly concerned with the performance of this Subcontract or to CONTRACTOR or Government representatives. SUBCONTRACTOR agrees to obtain from each employee a confidentiality agreement acceptable to CONTRACTOR and/or the DOE/NNSA Contracting Officer and to furnish copies upon request.

 - (ii) What labor or materials or both have been or may be added, deleted, or wasted by the alleged change;
 - (iii) To the extent practicable, what delay and disruption in the manner and sequence of performance and effect on continued performance have been or may be caused by the alleged change;
 - (iv) What adjustments to contract price, delivery schedule, and other provisions affected by the alleged change are estimated; and
- (6) The Subcontractor's estimate of the time by which the Contractor should respond to the Contractor's notice to minimize cost, delay or disruption of performance.

(b) Continued performance. Following submission of the notice required by paragraph (a) of this clause, the Subcontractor shall diligently continue performance of this contract to the maximum extent possible in accordance with its terms and conditions.

(c) Contractor response. The Contractor shall, within thirty (60) calendar days after receipt of notice, or longer as may be advised by the Contractor in writing, respond to the notice in writing. In responding, the Contractor shall either:

When the cost of property made obsolete or excess as a result of a change confirmed by the Contractor under this clause is included in the equitable adjustment, the Contractor shall have the right to prescribe the manner of disposition of the property. The equitable adjustment shall not include increased costs or time extensions for delay resulting from the Subcontractor's failure to provide notice or to continue performance as provided, respectively, in paragraphs (a) and (b) of this clause.

C-22 CONTRACTOR'S RIGHT TO ORDER CHANGES

A. The Contractor may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this subcontract in any one or more of the following:

1. Ceiling price.
2. Hourly rates.
3. Delivery schedule.
4. Other affected terms.

C. The Subcontractor shall assert its right to an adjustment under this clause within thirty (30) days from the date of receipt of the written order. However, if the Contractor decides that the facts justify it, the Buyer may receive and act upon a proposal submitted before final payment of the subcontract.

D. Failure to agree to any adjustment will be a dispute subject to resolution under the Claims and Disputes clause of this Subcontract. However, neither the existence of a dispute nothing nor anything in this clause excuses the Subcontractor from proceeding with the Subcontract as changed.

C-23 INTEREST AND OTHER FINANCIAL COSTS

Under no circumstances shall SUBCONTRACTOR be entitled to recover prejudgment interest or interest and other financial costs as defined in Federal Acquisition Regulation (FAR) Part 31.205-20 on any claims for extra costs except to the extent CONTRACTOR is reimbursed for or recovers such costs under its prime contract with the Government.

C-24 OWNERSHIP AND DISPOSITION OF RECORDS

Government-owned records. Except as provided elsewhere in this Subcontract, all records, data, documents, reports, drawings, maps, recordings, or other information, whether in electronic form or hard copy and regardless of form or format, acquired or generated by the SUBCONTRACTOR in its performance of this Subcontract shall be the property of the CONTRACTOR and/or the Government and shall be delivered to the CONTRACTOR and/or the Government as directed by the Subcontract Administrator, or otherwise disposed of by the Subcontractor either as the Subcontract Administrator may from time-to-time direct during the progress of the Work or, in any event, as the Subcontract Administrator shall direct upon completion or termination of the Subcontract. or any part of said data or information for any purpose whatsoever consistent with applicable laws and regulations.

C-25 EXAMINATION OF SUBCONTRACTOR'S RECORDS

SUBCONTRACTOR shall maintain books and accounts of SUBCONTRACTOR'S charges under this Subcontract in accordance with generally accepted accounting principles and practices. For the duration of the Subcontract and for a period of three years thereafter CONTRACTOR, Government or their representatives shall have the right to examine during SUBCONTRACTOR'S normal business hours these books and accounts and any other relevant records to the extent required to verify charges, labor hours, and any reimbursable costs (excluding lump sum and established standard allowances and rates) incurred where such costs are the basis of compensation to SUBCONTRACTOR hereunder or for evaluating the reasonableness of proposed Subcontract price adjustments and claims.

C-26 MATERIAL, WORKMANSHIP, AND SPECIFICATIONS FOR CONSTRUCTION WORK

- (a) All equipment, material, and articles incorporated into the Work covered by this Subcontract shall be new and of the most suitable grade for the purpose intended, unless otherwise specifically provided in this Subcontract. All equipment, material, articles or patented processes identified by trade name, make, catalog number in the SOW, specifications, drawings, or elsewhere in this Subcontract shall be delivered and/or incorporated into the Work exactly as provided unless the Subcontract Administrator or STR approves substitutes which are of like or better quality. The SUBCONTRACTOR shall obtain the CONTRACTOR'S approval for all equipment, material, or articles to be incorporated into the Work as provided in this Subcontract (including any specific submittal requirements), or as otherwise directed by the Subcontract Administrator or STR. When requesting approval, the SUBCONTRACTOR shall provide full information concerning the material or articles as required by the Subcontract Administrator or STR. When directed to do so, the SUBCONTRACTOR shall submit samples for approval at the SUBCONTRACTOR's expense, with all shipping charges prepaid. Equipment, material, and articles that do not comply with the Subcontract requirements or which do not have the required approval shall be installed or used at the risk of subsequent rejection at SUBCONTRACTOR'S expense.
- (b) In addition to any information required by paragraph (a), SUBCONTRACTOR shall submit shop drawings if required elsewhere in this Subcontract or as directed by the STR. "Shop drawings" means drawings submitted to the CONTRACTOR by the SUBCONTRACTOR or any lower tier subcontractor showing in detail (1) the proposed fabrication and assembly of structural elements, and (2) the installation (*i.e.*, fit and attachment details) of materials or equipment. Shop drawings include drawings, diagrams, layouts, schematics, descriptive literature, illustrations, schedules, performance and test data, and any similar materials furnished by the SUBCONTRACTOR to explain, in detail, specific portions of the Work required by the Subcontract. The CONTRACTOR and/or the Government may duplicate, use, and/or disclose in any manner and for any purpose shop drawings delivered under this Subcontract. The STR will indicate approval or disapproval of the shop drawings and, if not approved as submitted, shall indicate the reasons therefor. Any Work done before such approval shall be at the SUBCONTRACTOR'S risk. If shop drawings show variations from the Subcontract requirements, the SUBCONTRACTOR shall describe such variations in writing, separate from the drawings, at the time of submission. If the Subcontract Administrator approves any such variation, the Subcontract Administrator shall issue an appropriate Subcontract modification; However, if the variation is minor or does not involve a change in price or in time of performance, a modification need not be issued. Approval by the Subcontract Administrator shall not relieve the SUBCONTRACTOR from responsibility for any errors or omissions in such drawings, nor from responsibility for complying with the requirements of this Subcontract, except with respect to variations described and approved by the Subcontract Administrator in accordance with this paragraph.
- (c) Anything identified in the specifications and not shown on the drawings or shown on the drawings and not mentioned in the specifications, shall be of like effect as if shown or mentioned in both. In case of difference between drawings and specifications, the specifications shall govern. In case of discrepancy in the figures, in the drawings, or in the specifications, the matter shall be promptly submitted to the STR, who shall make a determination in writing. Any adjustment by the SUBCONTRACTOR without such a determination shall be at the SUBCONTRACTOR'S own risk and expense. The STR may furnish from time to time such detailed drawings and other information as considered necessary, unless otherwise provided.

C-27 WARRANTY

- (a) Notwithstanding inspection and acceptance by the CONTRACTOR or payment made for any supplies or services (including construction) received by the Contractor, and notwithstanding any contrary provision in this Subcontract concerning the conclusiveness of inspection, acceptance, or payment, the SUBCONTRACTOR warrants that all services performed, or supplies delivered, under this Subcontract will, at the time of acceptance, be free from defects in workmanship and conform to the requirements of this Subcontract, including any orders placed hereunder. The CONTRACTOR may at any time, either prior to or after inspection, acceptance, or payment, give written notice of any defect or nonconformance to the SUBCONTRACTOR. This notice shall state either: (1) that the SUBCONTRACTOR shall correct or re-perform any defective or nonconforming services or construction; or (2) repair or replace defective supplies; or (3) that the CONTRACTOR does not require correction or re-performance.
- (b) If the SUBCONTRACTOR is required to correct, re-perform, repair, or replace services or supplies, it shall be at no cost to the CONTRACTOR, and any services corrected or re-performed, or supplies repaired or replaced, by the SUBCONTRACTOR shall be subject to this clause to the same extent as the Work initially performed. If the SUBCONTRACTOR fails or refuses to correct, re-perform, repair, or replace the defective supplies or services, the CONTRACTOR may, by subcontract or otherwise, correct, re-perform, repair, or replace the defective services or supplies directly or via another vendor/subcontractor and charge to the SUBCONTRACTOR the cost occasioned to the CONTRACTOR thereby, offset any amounts due to the SUBCONTRACTOR, or make an equitable adjustment to the Subcontract price. If the Subcontract Administrator chooses to accept (in writing) a non-conforming supply or service and does not require correction or re-performance, the Subcontract Administrator may make an equitable adjustment appropriately reducing the Subcontract price, or amounts paid under this Subcontract to compensate CONTRACTOR for the non-conformance. IF SUBCONTRACTOR disagrees with the equitable adjustment, the disagreement shall be considered a dispute which shall be resolved in accordance with the Disputes Clause of this Subcontract. The CONTRACTOR also retains the right to seek any other damages or remedies of whatsoever nature from the SUBCONTRACTOR relating to or arising from the failure of any supplies or services to conform to the requirements of this Subcontract, and any orders hereunder, including consequential damages.
- (c) With respect to all warranties, express or implied, from lower-tier subcontractors, manufacturers, or suppliers for work performed and materials furnished under this contract, the SUBCONTRACTOR shall-

 - c. Enforce all warranties for the benefit of the CONTRACTOR and Government, if directed by the Subcontract Administrator.
- (d) Only the Subcontract Administrator has the authority to accept non-conforming services or supplies or to waive any requirements of this Subcontract on behalf of the CONTRACTOR. - (e) The rights of the CONTRACTOR provided in this clause apply in addition to those specified in any other warranty provisions elsewhere in this Subcontract (if any).

- (2) Any assertion by an Indemnitee that any cost, price or fee included in or incurred under this Subcontract should or will be reduced as a result of, or arising out of facts attributable to, cost or pricing data furnished or required to be furnished by SUBCONTRACTOR, or a lower tier subcontractor or consultant, or prospective lower tier subcontractor or consultant, of SUBCONTRACTOR, which was not complete, accurate or current, or which was fraudulent.
- (3) SUBCONTRACTOR's failure to comply with an applicable provision of the Cost Accounting Standards clause or the Administration of Cost Accounting Standards clause (incorporated by reference elsewhere in this Subcontract).
- (4) SUBCONTRACTOR's violation of any applicable local, state, or Federal law, rule, regulation or order.

- (7) SUBCONTRACTOR's submission of any false or erroneous certification or supporting information required hereunder or under applicable laws or regulations.
- (8) Any false claims submitted or caused to be submitted by SUBCONTRACTOR under this Subcontract, or any misrepresentation of fact or fraud by SUBCONTRACTOR under or in connection with this Subcontract.
- (9) If this Subcontract is a cost-reimbursement subcontract or contains cost-reimbursable elements which are subject to the FAR and/or DEAR cost principles (FAR Part 31, DEAR Parts 931 and/or 970.31) (e.g., the materials portion of Time and Materials subcontracts), any costs incurred by the SUBCONTRACTOR and submitted for reimbursement under this Subcontract which are determined at any time by the Government to be unallowable.

MISSION SUPPORT AND TEST SERVICES, LLC

- (b) SUBCONTRACTOR expressly agrees that it assumes the foregoing indemnity obligation without limit and without regard to the cause or causes thereof and whether or not said liability, claim, demand, loss, cost or expense arises in whole or in part from the acts or omissions (including the joint or concurrent, active or passive negligence) of the Indemnitees, but excluding the sole and exclusive negligence or willful misconduct of the Indemnitees or for defects in design furnished by such persons. This indemnification shall survive the Subcontract and be enforceable as a separate agreement. Such obligation shall not be construed to negate or abridge or otherwise reduce any other right or obligation of indemnification or contribution that would otherwise exist in favor of the Indemnitees. SUBCONTRACTOR expressly agrees that for the purpose of indemnification of the Indemnitees under this clause, SUBCONTRACTOR waives any claimed right to assert any worker's compensation immunity against the Indemnitees in suits brought by SUBCONTRACTOR's employees in which any of the Indemnitees is made a party.
- (c) Patent Infringement Indemnity:
- (1) SUBCONTRACTOR shall indemnify CONTRACTOR, its customers, and the Government and their successors, affiliates, officers, agents, and employees, users, and operators against any and all claims and in all proceedings alleging infringement of any United States or foreign patent or copyright in the manufacture or sale of any items delivered under this Subcontract, and SUBCONTRACTOR shall hold said parties harmless from any resulting liabilities and losses, provided SUBCONTRACTOR is reasonably notified in writing of such claims and proceedings, and further provided that said parties give SUBCONTRACTOR authority, information and assistance at SUBCONTRACTOR's expense for the defense of same. SUBCONTRACTOR's obligation shall not apply to items manufactured pursuant to designs developed and furnished by CONTRACTOR or to any alleged infringement arising from the use or sale of items delivered under this Subcontract in combination with items not delivered by SUBCONTRACTOR if such alleged infringement would not have occurred from the use or sale of such items solely for the purpose for which they were designed or sold to CONTRACTOR.
 - (2) When this Subcontract is performed under the authorization and consent of the United States Government to infringe United States patents, SUBCONTRACTOR's liability for infringement of such patents pursuant to such performance shall be limited to the extent of the obligation of CONTRACTOR to indemnify or hold harmless the United States Government.
- (d) The costs of enforcing this clause, including attorneys' fees and other related costs, shall be borne by the SUBCONTRACTOR. The cost of satisfying any liabilities incurred by SUBCONTRACTOR under the provisions of this clause shall not be deemed or considered "allowable costs" for purposes of this Subcontract.

C-29 REPORTING OF ROYALTIES

If this Subcontract exceeds \$25,000 and if any royalty payments are directly involved in the Work or are reflected in the price to the CONTRACTOR, the SUBCONTRACTOR agrees to report in writing to the CONTRACTOR, during the performance of this Subcontract and prior to its completion or final settlement, the amount of any royalties or other payments paid or to be paid by it directly to others in connection with the performance of this Subcontract together with the names and addresses of licensors to whom such payments are made and either the patent numbers involved or such other information as will permit identification of the patents or other basis on which the royalties are to be paid. The approval of the CONTRACTOR or the Government of any individual payments or royalties shall not stop the CONTRACTOR or Government at any time from contesting the enforceability, validity or scope of, or title to, any patent under which a royalty or payment is made.

C-30 ASSIGNMENT BY SUBCONTRACTOR (MONIES AND PERFORMANCE)

- (a) Any assignment of this Subcontract or rights hereunder, in whole or part, without the prior written consent of CONTRACTOR shall be void, except that upon ten (10) calendar days written notice to CONTRACTOR, SUBCONTRACTOR may assign monies due or to become due under this Subcontract, provided that any assignment of monies shall be subject to proper set-offs in favor of CONTRACTOR and any deductions provided for in this Subcontract. No assignment or Subcontract will be approved which would relieve SUBCONTRACTOR or its sureties, if any, of their responsibilities under this Subcontract.
- (b) SUBCONTRACTOR shall not subcontract with any third party for the performance of all or any portion of the Work without the advance written approval of the Subcontract Administrator. Lower-tier subcontracts and purchase orders must include provisions to secure all rights and remedies of CONTRACTOR and Government

MISSION SUPPORT AND TEST SERVICES, LLC

provided under this Subcontract and must impose upon the lower-tier subcontractor and supplier all of the general duties and obligations required to fulfill this Subcontract.

- (c) Copies of all purchase and subcontract agreements are to be provided to CONTRACTOR upon request. Pricing may be deleted unless the compensation to be paid there under is reimbursable under this Subcontract.

C-31 ASSIGNMENT OF SUBCONTRACT BY CONTRACTOR

- (a) SUBCONTRACTOR agrees that the subcontract rights and duties of the CONTRACTOR may be freely assigned to the Government or a successor Management and Operating CONTRACTOR to the DOE/NNSA (or successor agency) for the management and operation of the Nevada National Security Site (NNS).

- (a) CONTRACTOR may by written notice to SUBCONTRACTOR suspend the Work under this Subcontract in whole or in part at any time. Upon receipt of such notice, SUBCONTRACTOR shall discontinue Work to the extent specified in the notice; continue to protect and maintain the Work; and take any other steps to minimize costs associated with such suspension. Promptly after receipt of a notice of suspension, SUBCONTRACTOR shall confer with CONTRACTOR to reach agreement on what steps CONTRACTOR will take to protect the Work, retain staff on standby if appropriate, and maintain the ability to re-start. Upon receipt of a notice to resume suspended Work, SUBCONTRACTOR shall immediately resume performance to the extent specified in the notice.
- (b) To the extent the suspension causes an increase in the SUBCONTRACTOR'S costs, the SUBCONTRACTOR may request an equitable adjustment. As full compensation for such suspension, the equitable adjustment will provide for the reimbursement of only the following costs, to the extent such costs directly result from such suspension and are consistent with SUBCONTRACTOR'S obligation to minimize such costs:

 - (2) All reasonable and necessary costs, demobilization, and remobilization of SUBCONTRACTOR'S personnel and equipment and the protection of that portion of the Work on which performance has been suspended.
- (c) An equitable adjustment to the schedule or completion date may also be made if requested.
- (d) The SUBCONTRACTOR must assert its claim for an equitable adjustment under this clause within 20 calendar days of the suspension and failure to do so will constitute a waiver of any such claim for equitable adjustment under this Subcontract. Equitable Adjustments shall be made based only on the actual or estimated cost and or/schedule impact as demonstrated by adequate supporting documentation provided by the SUBCONTRACTOR. This clause applies to the Subcontract as well as to all task orders, delivery orders, work releases, task assignments, purchase order releases, and all other similar tasking documents which may be issued under this Subcontract (if any). Only the Subcontract Administrator has the authority to agree to an equitable adjustment.
