Offeror,

Subject: **REQUEST FOR PROPOSAL (RFP) NO. AJ-0013363**

You are invited to submit a proposal for the provision of 480V, 150 KVA Uninterruptible Power Supply, which includes onsite technical support services in accordance with the below-listed proposal documents.

1. Instructions to Offerors
2. Offeror's Proposal Letter (complete and return with your proposal).
3. Draft Subcontract Form
4. Exhibit A – Quantities, Prices, and Data (complete and return with your proposal)
5. Exhibit B – Statement of Work, Specifications and Drawings
6. Exhibit C – General Conditions
7. Exhibit D – Special Conditions
8. Exhibit E – Not Used
9. Exhibit F – Security Requirements

Please Note: This procurement is set-aside for Small Business Only (see Instructions to Offerors). Proposals from large businesses will not be accepted.

Your offer is to be submitted on the enclosed forms electronically to the undersigned via email at Amy Justice, e-mail: JUSTICAL@nv.doe.gov no later than 10:00 A.M., prevailing Pacific Time, on July 23, 2025. Partial or incomplete offers may not be considered. Proposals on other than proposal forms provided, or received later than the date and time listed above, may be rejected.

Any questions you may have concerning this invitation should be directed to the undersigned in writing at the above-listed address, or Email JUSTICAL@nv.doe.gov.

US CITIZEN REQUIREMENT: Please note that Offerors must ensure that information in this Request for Proposal is not accessed by any employee that is NOT a US Citizen without prior approval.
