SUBJECT: Recommendation for Scheduling Future Environmental
Management (EM) Site-Specific Advisory Board (SSAB)
National Chairs' Meetings

Dear Ms. Snyder and Mr. Boehlecke,

The fall EM SSAB National Chairs' meeting scheduled for the week of October 2, 2023 in Oak Ridge, Tennessee was canceled on short notice. A number of questions and concerns were raised concerning the cancellation and, in order to plan effectively for the future, the Nevada Site Specific Advisory Board (NSSAB) discussed this matter at length.

After careful consideration, the NSSAB recommends that no NSSAB or EM SSAB National Chairs' meeting be planned or scheduled to begin later than the twentieth (20th) day of September or during the month of October in any federal fiscal year and that a back-up digital option be available in case unforeseen circumstances require cancellation of an in-person meeting.

Sincerely,

A handwritten signature in black ink, appearing to read 'Anthony Graham', is positioned below the word 'Sincerely,'.
