All terms and conditions applicable to this release are as stated in the Blanket Master Agreement No. TBD and remain in full force and effect.

G.10. KEY PERSONNEL

The personnel listed below are considered essential to the work being performed under this Task Order. Before removing, replacing, or diverting any of the listed or specified personnel, the Subcontractor must: (1) Notify the Procurement Specialist reasonably in advance; (2) submit justification (including proposed substitutions) in sufficient detail to permit evaluation of the impact on this Task Order Release; and (3) obtain the Procurement Specialist's written approval.

If any of the below individuals are unavailable for assignment for work under this Task Order Release, the Subcontractor, with written approval from the Procurement Specialist, shall replace such individual with an individual equal in abilities and qualifications.

The following individuals are named as Subcontractor Key Personnel and are subject to this clause.

<i>Name</i>	<i>Title/Position</i>
	Project Manager/Task Order Manager
	Construction Manager
	Site Superintendent
	Quality Control Manager
	Quality Representative
	Safety Representative

G.11. WORK LOCATION

The work location will be: Nevada National Security Site - Area 23, Future Building 23-464, Mercury, NV 89023.

G.12. BUY AMERICAN ACT CERTIFICATION

The OFFEROR certifies that each end product, except those listed below, is a domestic end product and that components of unknown origin are considered to have been mined, produced, or manufactured outside the United States.

"Domestic end product" means –

1. An un-manufactured end product mined or produced in the United States; or
2. An end product manufactured in the United States, if the cost of its components mined, produced, or manufactured in the United States exceeds 50 percent of the cost of all its components. Components of foreign origin for the same class or kind as those that the agency determines are not mined, produced, or manufactured in sufficient and reasonably available commercial quantities of a satisfactory quality are treated as domestic. Scrap generated, collected, and prepared for processing in the United States is considered domestic.

Excluded End Products	Country of Origin

OFFEROR'S may obtain from the Contractor lists of articles, materials, and supplies excepted from the Buy American Act (listed at 25.104 of the Federal Acquisition Regulation).

(NOTE: If none of the end products requested herein are manufactured outside the United States, please indicate by placing "N/A" in the Excluded End Products table above.)
